Title: Reporting, Recordkeeping, and Disclosure Requirements Associated with Proprietary Trading and Certain Interests in and Relationships with Covered Funds.

OMB Control No.: 1557-0309.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB renew its approval of the collection.

This collection of information was established pursuant to a rule¹ required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act).² The rule implemented section 619 of the Dodd-Frank Act, which contains certain prohibitions and restrictions on the ability of a banking entity³ and nonbank financial company supervised by the Board of Governors of the Federal Reserve System (FRB) to engage in proprietary trading and have certain interests in, or relationships with, a hedge fund or private equity fund.

Section 619 of the Dodd-Frank Act added a new section 13 to the Bank Holding Company Act (BHC Act (codified at 12 U.S.C. 1851) that generally prohibits any banking entity from engaging in proprietary trading or from acquiring or retaining an ownership interest in, sponsoring, or having certain relationships with a hedge fund or private equity fund, subject to certain exemptions. The exemptions allow certain types of permissible trading and covered fund activities. The OCC's version of the rule is codified at 12 CFR part 44. Section 44.20(d) and Appendix A require certain of the largest banking entities to report to the appropriate agency certain quantitative measurements. The reporting, recordkeeping, and disclosure requirements associated with the rule will permit banking entities to comply and the Agencies to enforce compliance with section 13 of the BHC Act and the final rule and to identify, monitor and limit risks of activities permitted under section 13, particularly involving banking entities posing the greatest risk to financial stability. *Section-by-Section Analysis*

Section 44.4(c)(3)(i) requires a banking entity that relies on the market making presumption of compliance to make available to the OCC upon request records regarding (1) any limit that is exceeded and (2) any temporary or permanent increase to any limit(s), in each case in the form and manner as directed by the OCC.

Section 44.5(c) includes documentation requirements for banking entities that have significant trading assets and liabilities and rely on the risk-mitigating hedging exemption.

Section 44.10(c)(18)(ii)(C)(1) requires a banking entity relying on the exclusion from the covered fund definition for customer facilitation vehicles to maintain documentation outlining how the banking entity intends to facilitate the customer's exposure to a transaction, investment strategy, or service.

Section 44.11(a)(2) requires a banking entity (or an affiliate thereof) that organizes and offers a covered fund in connection with the provision of *bona fide* trust, fiduciary, investment advisory, or commodity trading advisory services to persons that are customers of such services of the banking entity (or an affiliate thereof) to organize and offer the fund pursuant to a written plan or similar documentation outlining how the banking entity or such affiliate intends to provide advisory or similar services to its customers through organizing and offering such fund.

Section 44.11(a)(8)(i) requires a banking entity that organizes and offers covered funds to make certain disclosures to investors in such funds. This provision also applies to banking entities relying on exclusions for credit funds, venture capital funds, family wealth management vehicles, or customer facilitation vehicles.

Section 44.12(e) outlines the requirements for requesting an extension of time to divest an ownership interest in a covered fund.

Section 44.20(a) requires a compliance program from banking entities with significant trading assets and liabilities.

Section 44.20(d) requires a banking entity with significant trading assets and liabilities (or any other banking entity to which the OCC has provided written notification) to report metrics specified in Appendix A. Section 20(d) further specifies that a banking entity that is required to report these metrics must do so within 30 days of the end of each calendar quarter.

Section 44.20(e) requires a banking entity with significant trading assets and liabilities to maintain additional documentation for covered funds.

Section 44.20(f)(1) provides that a banking entity with no covered activities (other than trading activities permitted pursuant to §44.6(a) of subpart B) can satisfy the requirements of § 44.20 by establishing the required compliance program prior to becoming engaged in such activities or making such investments.

Section 44.20(f)(2) provides that a banking entity with moderate trading assets and liabilities may satisfy the requirements of § 44.20 by including in its existing compliance policies and procedures appropriate references to the requirements of section 13 of the BHC Act and part 44 and adjustments as appropriate given its activities, size, scope, and complexity.

Section 44.20(i) covers notice and response procedures. The OCC will notify a banking entity in writing of any determination requiring notice under part 44 and will provide an explanation of the determination. The banking entity may respond to the notice and should include any matters that the banking entity would have the OCC consider in deciding whether to make the determination. The response must be in writing and delivered to the designated OCC official within 30 days after the date on which the banking entity received the notice.
